April 20, 2016

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2014-15 educational progress for Gwinn High School/Gwinn Middle School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Brian Rice, GHS/GMS Principal for assistance.

The AER is available for you to review electronically by visiting the following web sites <http://www.gwinn.k12.mi.us/GHS/index.htm> and <http://www.gwinn.k12.mi.us/GMS/AER/MSAER14.pdf> or you may review a copy in the main office at your child's school.

The staff at Gwinn High School/Gwinn Middle School recognizes that the gap between our top and bottom 30% of student achievement scores is an area we need to improve upon. We are working very hard to get all of our students to achieve at a high level and offer a variety of ways that struggling students can get extra help. Students participate in Northwest Evaluation Association (NWEA) assessments three times each year so staff can monitor individual progress measured against national scores. Homework help is available during lunch, after school, and Saturday mornings. Parents can help by seeing that their child has good attendance and completes all schoolwork and homework. We appreciate the continued support of parents, staff, and our community in this effort.

The Annual Education Report (AER) also contains the following information, which state law requires that we report:

1. Students in grades 9-12 of the Gwinn Area Community School District are assigned to Gwinn High School. Those students outside the district who wish to attend Gwinn High School may request Schools of Choice applications through the Superintendent's Office located at 50 West M-35 in Gwinn.
2. Gwinn High School operates on a 3 to 5 year school improvement plan. The school improvement committee is made up of teachers, support staff members, parents, school board members, community members, students, and administration. It contains goals for improvement in each of the core areas (ELA, math, science, and social studies).

3. There are no specialized schools within the Gwinn School District.
4. Copies of the core curriculum can be acquired through the High School Office and the Superintendent's Office of the Gwinn School District. Curriculum is reviewed regularly, and teachers are required to teach the Michigan Merit Curriculum.
5. Northwest Evaluation Association data is new to our district, having started the assessment process in the Fall of 2015. Early results show that our students score lower than national results, but that, on average, the gap between local and national results decreases as the students progress through High School.
6. Parent/Teacher Conferences are held in November. In 2015-16 our attendance rate was 30% (159 students). Attendance rate for 2014-15 was 31% (165 students).
7. Gwinn High School had two students dually enrolled in the 2015-16, and both received scores that enabled them to obtain college credit for their courses. Another two students were enrolled in Middle College and took courses that earned them college credit. There currently are no college equivalent courses, although we do provide advance courses in Physics, Chemistry, Biology, and Honors English that prepare students for college level courses. While no students (0%) currently earn college credit through Advance Placement courses, we are working on a partnership with Northern Michigan University to provide college level courses within Gwinn High School.

We are very proud of the efforts and achievements of our students at Gwinn High School/Middle School. They have been provided with a formula for success, and those who follow it continue to accomplish great things. To learn more about what we have to offer, please contact me at any time.

Sincerely,

Brian Rice, Principal
Gwinn Middle School / Gwinn High School
