

Principal's Corner

Welcome to Gwinn Middle/High School where we are proud to be Modeltowners! I am extremely honored to serve as your principal. In our school, the community, parents, staff and students all work together to build a tradition of pride and excellence in all we do.

Gwinn Middle/High School offers a wide variety of quality academic, career and technical education courses as well as extracurricular programs to meet the needs of all our students. Students are challenged and supported to be their best and strive for success whether in the classroom, on the stage, or on the field.

Our staff members are dedicated to ensuring that each student is prepared for the world of work and academia beyond high school while helping to build good citizens and caring adults. Our students are proud to graduate from Gwinn High School and are often recognized through their scholarships and awards beyond high school. We start to cultivate this pride in our middle school where our students in 6th-8th grade form a tightknit community of care and excellence.

We welcome parent involvement in their child's journey from 6th grade to graduation! Though students become more independent, the continuation of this home-school connection adds to the student success. Parents/guardians may contact me at 346-9247 or spetrovi@gwinn.k12.mi.us.

We have some exciting things happening in our school and district for the 2017-2018 school year! With much appreciation to the community for passing the recent Bond, each student has a Chromebook for classroom use, each teacher has a laptop, and each classroom has an interactive television which will connect teachers and students more powerfully as we engage students in learning through developing problem-solving skills.

My goal is for us to work together to make it the best year for *each* student. Thank you for your support of our school and your child's education.

Proud to be Modeltowners,

Sandra Petrovich
